Committee Reports:

HOSTESS:

Ron read roll call.

Safety:

Rudy was missing in action.

National Council:

Nothing to report this month. There should be a meeting soon.

Public Relations/Activities:

I was late to meeting but did catch Chris talking about the upcoming events for the month. In October, we have the John Force show where we will be the host club. For November, there was talk about the Cop Shop show. Refer to the club newsletter for details on upcoming events. The Cruising for a Cure turned out to be a little wet but all in all, it was a good day. Jeff's idea of bring lunch and drinks for the club actually turn out good, good job Jeff. About 1500 cars and trucks didn't let a little rain stop them from coming out for a good cause. The Monrovia car show turned out to be a pleasant afternoon once we were parked. We had to get into a long line of participants entering the parking area just to park in our reserved area. We had 18 trucks showed up. The Ducky show turned out to be a little disappointing, only about 75 cars showed up. Dan won 2 awards and Rich won 1. Jeff had problems with his throttle cable that day, it took him and extra 20 minutes to get to the show.

Western National:

Ed is working on a budget for next year's event, stay tune for more.

Old Business:

- The Thanksgiving trip to Temecula is up to 18 couple going. There was a motion to compensate members not going, credit towards membership fees for next year. After a heated discussion, the motion was withdrawn. It looks like most members will meet and then caravan to hotel.

New Business:

- Birthdays for October, Bill C, Jeff H, and Fran C.
- Dan opened up for discussion the possibility of opening up the club to other years, 48 to 68. A lot of club member felt it was the thing to do, a petition sheet was sent about for signatures.
- Gene Patton donated a scrap book from 1995 to club.
- La Quinta high school sent thank you letter for donation.
- Jeff assigned formed a committee to come up with a new club plaque.
- Chris has 8 members from Canada that will be here in January. He would like to have at least 8 trucks attend a tour of Orange County. Please see Chris for details.

Meeting adjourned at 8:35 pm.

Respectively submitted
