Meeting called to order by President Jeff Hornsby at 7:30 pm.

Roll call: 22, Members and 3 guest, Art Lynki and Russ Evens, Prospective Member: 3

Treasures Report: Was Read

Secretary: Read the minutes and approved after 1 correction, the model year truck was 1966 instead of 1968.

Committee Reports:

HOSTES:

Ron read roll call.

Safety:

Rudy made an offer to help club members with small projects. He's only request is that you stay and help. He also made a comment about some cheap parts that don't always fit right, beware of what you buy.

He is planning for the next inspection meeting which is looking to be February 23, 2008. He encouraged all to update there in case of emergency information.

National Council:

Jeff bought up the new changes to the Constitution. He printed out the proposed changes. The club voted on 4 items. Only 1 item had some opposition. Each member/truck would have 2 votes. Some people felt 1 membership, 1 vote.

A 40th anniversary party is being planned for Pickup Limited members. They are trying to find a location at this time

A new club plaque is in the works, again. It might feature a rear view of a small window cab, indicate Pickups Limited on the top and So Cal on the bottom.

Larry Willet is moving from Pomona Chapter to Ventura. He's getting married and moving to that area. Congrats!
