Safety:

Rudy went to Pure Power and got a tour of the facilities, he was very impressed. They had enough room in the building that we could have the event indoors. Pure Power will have some employee's there to help with the inspection. You can expect to get lots of info on oils and filter system. We are encouraged to bring jack stands.

Jeff was able to contact an appraiser, but in order for him to come out, we needed at least 5 trucks, only 2 members raised their hands. The cost would be \$275.

National Council:

Meeting was held on Feb 4 in Ontario. There was a change in the officials, Jeff is now the chairman, Larry Willet is treasure, and Ray is secretary. There are many things we can expect from the new council. There will be changes to the constitution. They discussed insurance options, not sure what will change.

They also discussed new club plaques from a local vendor. The chapters would be dealing directly with the vendor. They and myself are hoping to have a real F-100 on the plaque. They will be made from aluminum and plated chrome.

The assessment charge for each member will be \$2. Our chapter is currently paying for 27 members.

Public Relations:

Jeff read various events coming up. He wasn't pleased with Fabulous Fords show only having 2 truck awards, and many more Bronco and Mustangs. He instead wanted to give the Edelbrock show a try. The club voted and approved to make the Edelbrock the show to attend. The date is April 29.

Western National:

All of the Western National committee was absent this meeting. We have received 2 more applications, total of 4 now. According to Jeff, things are going smoothly. On a side note, Steve was in the hospital with a fever, they were waiting for test results. Hopefully by the next meeting, he will have recovered.

North/South:

Pam gave the report. It will be held in Santa Maria, in the same facility and location as last year. Prices will be the same, \$50 for singles and \$80 for couples. There will be an optional dinner on Friday night, no kids please. They would like to get a picture of your truck because they are putting together a program. It will have the trucks listed by the different chapters. You can sponsor a trophy if you want, sorry I didn't get the price.

Old Business:

If you plan on getting a break on the club dues, you need to have your dues paid by the end of February.

New Business:

- The club voted & passed to put \$100 towards trophy and raffle prize.
- The club voted in a new member, Don, he owns a nice 56 truck.
- Carlos tried to start a parts segment, but there were no part for sale.
- Birthdays for February, Andrea, Ron, Rich and Randy.

Open meeting, gossip and stories about anything and everything.

Meeting adjourned at 8:20 pm.

Respectively submitted
