Bi-Monthly Meeting
3-8-07

Meeting called to order by President Jeff Hornsby at 7:30 pm.

Roll call: 19 Members and 2 guest/Prospective Member:_____

Secretary read minutes, approved

Committee Reports:

HOSTESS:

Ron read roll call.

Safety:

Rudy gave the report, we had a good turn out. Only 11 trucks showed up for the event, which means not everyone's truck has been inspected. We got a great welcoming from Pure Power, they had donuts and coffee ready for us. The club provided a wonder subway lunch. There were only 2 trucks that didn't have any problems, the rest of have a few things to fix. There was a brief discussion why we do the club inspection, I think everyone understands the importance of the inspection, if not please speak with Rudy.

National Council:

Jeff had a brief update of some of his thoughts on how the council will address issues as they arrive. One of his goals is to have all chapters as one big family, verses individual truck club. No one chapter should feel they are on there own.

Public Relations:

Jeff read various events coming up. The Goodguys event was this weekend. April 29 is Reved up for kids, May something in Ontario or Carson, June 10 is the San Diego car show. Chris had some info on the upcoming junk yard day. He explained what the day would involve, bring your tools!

Western National:

Things are moving along well. We have 9 entries and sponsors like Oval industries, Altered eng, Classic performance parts, and we even have a sponsor for a 4 post hoist, thanks to Dale for that one. In case you didn't hear, Steve made it to meeting after a short hospital visit. He is doing great! Associate members will be asked if they want to park and be judged.

North/South:

Only 4 rooms left at Big America but you will need to speak with manager
