In mid July, Mooneyes is having there Christmas car show at Irwindale Speedway. If you're going to the Run to the Sun event, make your reservations. Looks like there will be a trip to Mid-Fifties. A group of 6 trucks showed up for the NRHA twilight cruise, they had a great time telling outrageous stories. In May the veterans of Cypress will have a car show. See Ron Jacobs for info.

Western Nationals:

Steve informed us that Pat Ford, representing Dennis Carpenter will be donating \$600 and a set of steel running boards. Dan Carpenter will be donating a complete bed again this year. It looks we will be making up raffle tickets for that prize. The Truck Shop and Tuff Skin are on board too. We have over 30 entries. Looks like the food vender will be the same as last year. Chris checked into Olive Garden, they were not as accommodating so we will be having dinner at El Torito. Dan donated an aluminum floor jack.

Old Business:

- Rich had hats that were ordered a few weeks ago so if you haven't gotten yours, see him.
- Business cards were passed out at safety meeting.

New Business:

- Birthdays for April, Jean, Dan, Sandra and Mas.
- Bill Balthasar won his first best truck award with his newly painted truck.
- Dale got another 56 big window and a Jag rear end project.
- Dan proposed getting the new tee shirts printed on better quality shirts. It seems that the last run of shirts shank to much.

Meeting adjourned at 8:25 pm.

Respectively submitted by your Secretary
